

POSITION: Psychiatrist

COMPANY: CONFIDENTIAL

LOCATION: FAIRFAX, VA

THE OPPORTUNITY:

We are currently sourcing for a full time experienced psychiatrist in the Fairfax, Virginia area. This is a unique opportunity to join a growing psychiatric practice. The practice is very stable and well established and includes one psychiatrist, eight clinical psychologists, two social workers and a psychiatric nurse practitioner. We see patients of all ages, but experience with children and adolescents preferred. Responsibilities will include providing diagnostic and evaluation services for patients, including medication management.

THE DETAILS:

- **Work schedule:** Mon-Friday: 9am-5pm
- **Compensation:** \$250,000.00 – \$300,000.00 per year
- **Benefits:** 401(k) with match, dental Insurance, flexible schedule, health Insurance, paid time off, retirement plan

QUALIFICATIONS

- At least 2 years of psychiatrist experience is required
- Commonwealth of Virginia MD or DO is required
- US Citizens or Green Card holders please

COVID-19 considerations: They are doing all they can to keep patients and providers safe during this unprecedented time. Almost all appointments are telehealth and for those appointments in office, they are using masks, gloves and cleaning multiple times per day.
